The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is catarrh. Catarrh being greatly
influenced by constitutional conditions
requires constitutional treatment. Hall's
Catarrh Medicine is taken internally and
acts thru the blood on the mucous sur-
faces of the system thereby destroying
the foundation of the disease, giving the
patient strength by building up the con-
stitution and assisting nature in doing its
work. The proprietors have so much
faith in the curative power of Hall's
Catarrh Medicine that they offer One
Hundred Dollars for any case that it fails
to cure. Send for list of testimonials.

Quit Tobacco
So easy to drop Cigar-
ette, Cigar, or Chew-
ing Habit

No-To-Bac has helped thousands to
break the costly, nerve-shattering to-
bacco habit. Whenever you have a
longing for a smoke or chew, just
place a harmless No-To-Bac tablet in
your mouth instead. All desire stops.
Shortly the habit is completely broken,
and you are better off mentally,
physically, financially. It's so easy, so
simple. Get a box of No-To-Bac and
if it doesn't release you from all craving
for tobacco in any form, your
druggist will refund your money with-
out question. No-To-Bac is made by
the owners of Cascares; therefore is
thoroughly reliable.

OF THE

DE LAVAL MILKER

Udder Pulsator, close
to cow's udder—insuring
uniform, snappy action of
teat-cups.

Pulsation speed cannot be adjusted or tampered with—
always uniform and pleasing to the cows.

No pulsator springs, washers or regulating screws—pul-
sator has only one moving part.

Alternating action at fixed speed—the two front and
the two rear teats milked alternately and uniformly.

Pulso-Pump—especially designed rotary machine pro-
viding the vacuum and the mechanical control of Udder
Pulsators.

Self-adjusting teat-cups—fit both large and small teats.

The De Laval is the fastest method of milking cows
successfully. The name De Laval is ample guarantee of
satisfaction.
